OFFICE OF PETITIONS

In re Application of :
Frank PUTTKAMMER et al. :
Application No. 08/894,766 : ON PETITION
Filed: August 30, 1997 :
Attorney Docket No. HENN0010UPCT-US :

This is a decision on the renewed petition under 37 CFR 1.137(b), filed March 10, 2006, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed August 2, 1999, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the above-identified application became abandoned on November 3, 1999.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of an amendment that *prima facie* places the application in condition for allowance; (2) the petition fee of \$750; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the final Office Action of August 2, 1999 is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant of 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-7099.

The application file is being referred to Technology Center AU 3652 for appropriate action on the concurrently filed amendment.

A handwritten signature in black ink, appearing to read 'David Bueci', with a large, stylized flourish extending to the right.
